

STFM Preceptor E-newsletter Renewal Form

Provide Valuable Training for Your Community Preceptors by Subscribing to STFM's Preceptor Newsletter, *The Teaching Physician*

Published by the Society of Teachers of Family Medicine

The Teaching Physician newsletter is offered quarterly (July, October, January, and April) to departments interested in providing more training information to their community preceptors. The newsletter is sent to subscribers electronically as an Adobe Acrobat PDF file and is intended to be forwarded by your department to your community preceptors as an attachment to an e-mail tailored with your specific department news. This offers you the ability to provide your preceptors with great training information and keep them in touch with your departmental activities.

Renewal for Subscription Year July 1, 2009 through June 30, 2010
