

Reviewer Acknowledgments

In evaluating manuscripts submitted to *Family Medicine*, we rely heavily on the opinions of our expert peer reviewers. The quality and excellence of *Family Medicine* depends to a large extent on the efforts of our reviewers, who volunteer their time, expertise, and patience to assist us with maintaining our publication standards. We take this opportunity to publicly acknowledge and thank our reviewers for their valuable contributions.

The individuals listed below reviewed manuscripts for *Family Medicine* between November 1, 2007, and October 31, 2008. Those who served on the editorial board during this period are denoted with an asterisk.
