

Message from the Mayor

It gives me great pleasure to extend greetings and a warm welcome to everyone attending Society of Teachers of Family Medicine Annual Spring Conference.

Welcome to the medical school professors, preceptors, residency program faculty, residency program directors and those involved in family medicine education as you take part in a networking forum involving interactive seminars, lecture-discussions, papers and poster presentations.

As Canada's largest city and the fourth largest in North America, Toronto is a global centre for business, finance, arts and culture and is dedicated to being a model of sustainable development. I welcome everyone to our city and encourage you to enjoy Toronto and learn about our vibrant neighbourhoods.

On behalf of Toronto City Council, please accept my best wishes for an informative and enjoyable event.

Yours truly,

John Tory
Mayor of Toronto
