# NEWS AND PUBLICATIONS

## *Annals of Family Medicine*

Submit research findings and learn from others in *Annals of Family Medicine*, a peer-reviewed journal for scientists, clinicians, policymakers, and the patients and communities they serve. *Annals* addresses practice-based research that bridges disciplinary boundaries in the delivery of patient-centered, prioritized, high-quality health care.

[annfammed.org](http://annfammed.org)

## Blog

Join the conversation by sharing your ideas about how to improve family medicine education and offering a new perspective about the role of family medicine in the health care system.

[blog.stfm.org](http://blog.stfm.org)

## *Family Medicine*

With your membership, you receive a subscription to *Family Medicine*, the official peer-reviewed journal of the Society of Teachers of Family Medicine. *Family Medicine* publishes original research, systematic reviews, narrative essays, and policy analyses relevant to the discipline of family medicine, with a focus on primary care medical education, health workforce policy, and health services research.

[journals.stfm.org/familymedicine](http://journals.stfm.org/familymedicine)

## *Messenger Newsletter*

You'll get the latest updates on new products and services, conference submissions, registration deadlines, legislation updates, and accreditation changes in the *STFM Messenger*, the official news publication of the Society of Teachers of Family Medicine. This electronic publication is emailed to STFM members monthly.

[stfm.org/messenger](http://stfm.org/messenger)

## Podcasts

STFM podcasts feature interviews with family medicine leaders who share pivotal experiences that have led to opportunities for personal and professional growth.

[stfm.org/podcasts](http://stfm.org/podcasts) and [stfm.org/urmjam](http://stfm.org/urmjam)

## *PRiMER*

Meet your scholarly activity requirements by submitting your work to *Peer-Reviewed Reports in Medical Education Research (PRiMER)*. This online, peer-reviewed, open-access journal publishes small, rigorously designed original research briefs in medical education and health workforce policy, as well as learner research.

# CONFERENCES

## Conference on Medical Student Education

January 26-29, 2023 • New Orleans, LA

Get the skills and tools you need to prepare your medical students to lead and prosper in a new environment of patient care. Join us in New Orleans and learn how your colleagues are re-imagining family medicine education. Share your medical student education wisdom, learn new skills, gain new ideas, and be inspired! And most importantly, network, meet new colleagues, and reacquaint with old friends.

This conference is for anyone involved in the education of medical students. Bring your students, residents, and community preceptors and pass on the excitement for academic family medicine.

[stfm.org/mse](https://stfm.org/mse)

## Annual Spring Conference

April 29-May 3, 2023 • Tampa, FL

Explore, learn, and grow at the nation's most energized networking forum for family medicine educators. Hundreds of educational and interactive workshops, seminars, lecture-discussions, papers, hot-topic special sessions, and poster presentations will be waiting for you! Find out how your peers are innovating to meet the new ACGME requirements, and learn new approaches for faculty development and competency-based education.

This conference is for learners, faculty, administrators, and department and program leaders.

[stfm.org/annual](https://stfm.org/annual)

## Conference on Practice & Quality Improvement

September 11-13, 2023 • St. Louis, MO

Attend the STFM Conference on Practice and Quality Improvement, and come home with practical skills, information, and resources to transform your practice to achieve the quadruple aim. Learn to create interprofessional, high-functioning teams that improve efficiency and patient care, and network with others who are committed to continuous practice improvement and innovation.

This conference brings together providers, researchers, educators, residents, practice team members, and administrators.

# CURRICULUM FOR TEACHING MEDICAL STUDENTS AND RESIDENTS

## Residency Curriculum Resource

Access more than 200 peer-reviewed, case-based presentations, quizzes, and facilitators' guides for family medicine education on the newly designed web site that now includes lead author recognition and improved subscription management on an easy-to-navigate, responsive platform. The curriculum is organized by topic and is available through a paid subscription.

[fammedrcr.org](http://fammedrcr.org)

## National Clerkship Curriculum

Define and develop a more effective third-year clerkship with this online resource. The curriculum is organized into five sections:

- Principles of family medicine
- Core presentations for acute care
- Core presentations for chronic diseases
- Health promotion and disease prevention
- Role of family medicine

[stfm.org/ncc](http://stfm.org/ncc)

## Smiles for Life Oral Health Curriculum

Ensure the integration of oral health and primary care with this online and downloadable curriculum developed by the STFM Group on Oral Health.

Each downloadable module includes a 45-minute presentation, annotated presenter notes, companion videos, an implementation guide, educational objectives, test questions, and a list of high-quality resources.

[smilesforlifeoralhealth.org](http://smilesforlifeoralhealth.org)

## Residents as Educators Curriculum

This curricula can be used for didactic presentations to enhance residents' teaching skills. Each curriculum includes a PowerPoint presentation, facilitator's guide, and a quiz. Topics include:

- Teaching
- Feedback
- Social and Emotional Learning

- Evaluation in Learning

[stfm.org/facultydevelopmentwebinars](http://stfm.org/facultydevelopmentwebinars)

## Telemedicine Curriculum

Give your residents and students the knowledge and skills they need to conduct effective, patient-centered telemedicine visits.

The telemedicine curriculum is divided into five asynchronous modules:

- Module 1: Intro to Telehealth
- Module 2: The Telehealth Encounter
- Module 3: Requirements for Telehealth
- Module 4: Access and Equity in Telehealth
- Module 5: Future of Telehealth

[stfm.org/telemedicinecurriculum](http://stfm.org/telemedicinecurriculum)

## Practice Management Handbook

Designed for family medicine residents and new physicians, this handbook is an inclusive resource for preparing for future practice. It outlines a range of practice models and the skills needed for each.

[connect.stfm.org/practicemanagementhandbook/home](http://connect.stfm.org/practicemanagementhandbook/home)

## Advocacy Curriculum

Educate legislators on the value of family medicine and encourage them to support the expansion of a well-trained family medicine workforce with this free online course. The course provides skills and practical strategies for advocating at the local, state, and federal level. Modules include:

- Getting started in advocacy
- Prepare and make contact
- The one-pager
- The visit
- Maintaining the relationship
- Advocating within your health system

[stfm.org/advocacycourse](http://stfm.org/advocacycourse)

## Clerkship Onboarding Modules

These modules provide students with practical skills to hit the ground running when they begin clinical rotations. Modules include:

- How to Write a High-Quality Note in the Electronic Medical Record
- How to Perform Medication Reconciliation
- Motivational Interviewing: a Structured Approach to Behavior Change

[stfm.org/studentonboarding#8537](http://stfm.org/studentonboarding#8537)

## Sub-Internship Curriculum

The new STFM Sub-Internship curriculum is for students considering family medicine as specialty choice. The focus is on the tasks and activities an intern would perform across settings, through the lens and within the culture of family medicine.

[stfm.org/subicurriculum](http://stfm.org/subicurriculum)

## Addiction Medicine Curriculum

STFM's new, national curriculum includes 12 addiction medicine modules with interactive content, handouts, videos, supplemental resources, and assessments. The curriculum covers screening and treatment of a variety of disorders.

# PRECEPTOR RECRUITMENT AND RETENTION RESOURCES

## *TeachingPhysician.org*

Teaching Physician is a comprehensive, web-based resource that brings point-of-need instruction to preceptors in the form of videos, tips, answers to frequently asked questions, and links to in-depth information on precepting topics. Teaching Physician helps medical schools and residency programs recruit, train, and retain community preceptors and meet accreditation requirements for faculty development.

[teachingphysician.org](http://teachingphysician.org)

## Clerkship Onboarding Resources

Use STFM onboarding tools and resources to:

- Ease the administrative burden on community faculty (preceptors) at ambulatory clinical sites by standardizing documentation
- Help preceptors integrate students more easily into the practice
- Increase student value to practices
- Aid teaching programs in administering clinical clerkship (rotation) experiences

[stfm.org/clerkshiponboarding](http://stfm.org/clerkshiponboarding)

## ABFM Precepting PI Toolkit

Recognize and reward preceptors by offering ABFM continuing certification credit for improvement in teaching.

# ADDITIONAL RESOURCES FOR FACULTY

## STFM Resource Library

Save time on curriculum development with access to teaching, research, and point-of-care resources uploaded by thousands of family medicine educators. The shared, online library contains:

- Conference presentations
- Curriculum
- Digital images
- Audio and video files
- Standardized patient cases
- Forms, policies, and guidelines

[resourcelibrary.stfm.org](https://resourcelibrary.stfm.org)

## Antiracism and Health Equity Resources

STFM condemns and denounces discriminatory and racist acts and calls on all members of the family medicine community to speak out against inequality and systemic racism. Resources in the areas of antiracism, health equity, and underrepresented in medicine (URM) leadership are continually developed and aggregated in this centralized location for STFM member use.

[stfm.org/AntiracismResources](https://stfm.org/AntiracismResources)

## Guidelines for Protected Time for Residency Faculty

Residency programs, sponsoring institutions, universities, health care systems, and accrediting bodies should use these recommendations to develop budgets that provide appropriate time allocation to enhance faculty wellness, reduce turnover, and meet organizational missions and objectives around education and providing care for communities.

## Shots by AAFP/STFM

Obtain easy-to-use, up-to-date vaccine information and minimize clinical mistakes at the point of care with Shots Immunizations, a mobile app produced by the American Academy of Family Physicians and the Society of Teachers of Family Medicine. Input patient characteristics (age, conditions, special circumstances) and receive a list of recommended vaccines.

[stfm.org/resources/shots](https://stfm.org/resources/shots)

## Residency Accreditation Toolkit

This combination of STFM resources helps new residency programs understand and meet accreditation requirements and prepares faculty to provide quality education to residents.

[stfm.org/facultydevelopmentstarterpackage](https://stfm.org/facultydevelopmentstarterpackage)

## Behavioral Science Basics Microsite

This site is a compilation of teaching and clinical care resources for new and seasoned behavioral health/family systems educators, and includes curriculum, patient care resources, key articles, books, evaluation tools, and presentations.
